**Sevan Guzel;
Cooking**

I have been cooking professionally for the past 5 years at Café De la Plage, where I am the co-owner and main cook.

I have experience and knowledge in a diversity of cuisines thanks to the 'Friday Night Street Food' events we hold, where I choose one country every week to research the food & culture and bring it to Darwin.

Although I like to explore the worlds flavours, my biggest strength is Turkish cuisine as my background is Turkish.

Come and join me on a journey through this middle-eastern country of aromatic spices, rich flavours and delicious recipes that have been passed on through my family. This is my passion in life and it would be my absolute pleasure to pass this on to you.
